Gain Control	Auto
Electronic Shutter	NTSC : 1/60~1/100,000 sec.
S/N ratio	More than 50dB (AGC Off)
Gamma correction	>0.45
Video output	1.0 Vp-p Composite Signal (75ohm)
Operation Temperature	-10°C - +50°C
Operation Humidity	Within 95% RH
Power Supply	DC12V (+/-15%)
Dimensions (inches)	5.71"(L) X 3.31"(W) X 3.23"(H)
Weight-Net (Approx lbs.)	1.80lbs

The Cobra-90 is a High-Resolution (580 Lines) Infrared Security Camera with a 4-9mm varifocal lens. The lens can be easily adjusted via the external knobs. Most other varifocal cameras require you to dismantle the camera to adjust the lens, so our external controls make changes easy.

The Cobra-90 sports a bracket that lets you hide the cables away from harm. The 1/3" SONY Super HAD II Camera module gives you sharp, clear pictures and the 42 IR LED's can illuminate an area up to 90' away.

The Cobra-90 is IP66 rated and can be sprayed or hosed down with no damage or water incursion.
