

Installer's EDGE

3.5" LCD Monitor with Battery Pack

This 3.5" TFT/LCD High Resolution Color Monitor with Battery Pack and Neck Strap is a great tool for installers to use for fine-tuning and pointing cameras during the installation process.

The Installer's Edge monitor can be clipped to your belt or you can use the velcro strap to strap it to your arm.

Includes cords for connection, and even powering 12V cameras from the battery pack as well.
